

**VIRTUAL GRADUATION  
CEREMONY**

**CLASS OF 2020 SUMMER  
GRADUATES**

**JUNE 19, 2020**

## **MISSION**

The mission of Rosedale Technical College is to enable students to obtain employment in positions related to the trade industries using hands-on training programs aligned with industry needs and effective student services designed to promote student success.

## **VISION**

We are the engine of our regional economy by providing genuinely valuable hands-on training which adapts to meet the needs of employers. We unlock the energy of our students and provide the spark of knowledge which gives our students the confidence to change their lives.

## **VALUES**

RTC values a student centered approach in everything we do. We also value continuous improvement and self-development along with honesty, humility and enthusiasm.

## **ROSEDALE TECHNICAL COLLEGE**

offers eleven Associate Degree or Diploma programs in eight separate areas of study: Automotive, Diesel, Electrical, Industrial, HVAC, Welding, Collision and Truck Driving. The programs are designed to prepare individuals for entry level employment as automotive, diesel, HVAC, industrial and electrical technicians, welders and truck drivers. Rosedale Technical College is licensed by the Pennsylvania Department of Education Private Licensed Schools and accredited by The Accrediting Commission of Career Schools and Colleges (ACCSC). Additional certification of the automotive and diesel programs is by the ASE Educational Foundation.

## **Dear College Graduates,**

On behalf of Rosedale Technical College, I would like to personally congratulate you on achieving your Diploma or Associates in Specialized Technology Degree. I hope that you are as proud as I am of you and your accomplishment.

Given the nature of these unprecedented times of response to the pandemic, we are disappointed that we are unable to host a traditional graduation ceremony this summer. However, you are cordially invited to attend our next planned in-person ceremony on October 16, 2020, conditions permitting. Invitations to that event will be sent by the end of August.

It is the nature of those of us in the skilled trades to forge ahead through adversity, however. So I trust that the temporary inconveniences of the current conditions will be but a bump in the road to your eventual success. We expect big things from you!

As a Rosedale Tech alumnus, you are welcome and encouraged to stay in touch with us whether in-person or virtually. Our job placement services are available to you at any time, and if there's any other way we can help or support you, please let us know.

Please sign up for our Alumni Facebook page ([www.facebook.com/groups/rosedaletechalumni/](http://www.facebook.com/groups/rosedaletechalumni/)) to stay in touch with classmates, faculty and staff, and to get alerts on events and job opportunities.

Best Wishes,

A handwritten signature in black ink, appearing to read 'Dennis Wilke', with a stylized flourish at the end.

Dennis Wilke  
President and Director

I am excited to announce that Rosedale Technical College is now using Handshake! A new platform to help students with their job search and connect with more than 500K employers, see different job postings, create interview appointments, and much more. Both current and alumni students can join!

To create an account and to learn more, visit the site: [www.joinhandshake.com](http://www.joinhandshake.com).

Any questions please reach out.

Sincerely,

*Maria Gigliotti*  
Student Success Coordinator
