- Learn your account number and monthly payment
- Set up your online account
- Enroll in Automatic Payments
- Update your contact information
- **Please contact your servicer to determine when loans from other schools begin repayment. These begin once you graduate or withdraw from school.**

WRIGHT INTERNATIONAL STUDENT SERVICES (WISS) PARTNERS WITH RTC!

A WISS representative may make a polite introduction (phone call) to assure you that options are available should you require a change in your payment schedule (they are not in the collection business). WISS can also explain these options in detail so you can pick a plan best suited to your needs. WISS may also initiate a call for you to your loan servicer so you can share your concerns and needs to make a change in your payment plan.

Having trouble making a payment? Reach out for help via phone 913-225-8485 or email at www.studentservicesint.org

Loan Repayment Resources

Repaying your student loans is important to your financial wellbeing. It is important that you stay informed. There are a variety of loan repayment plans to fit your needs. To receive more information on Federal Student Loan repayment please visit the Federal Student Loan Repayment page at <https://studentaid.gov/manage-loans/repayment>. Here you can find information on repayment plan options, how to make a payment, forgiveness and assistance if you are having trouble making a payment, ways to get ahead and much more.

You can also visit *You can deal with it* at <http://www.youcandealwithit.com> to find more information.
